Bathhouse Update

The interior of the bathhouse is moving right along. The plumbing, duct work, and electrical work has just about been complete. The hot water heaters are in and the air heater is on site. The partitions are ordered. We are close to the sheet rock and painting stages. The Board is obtaining a line of credit to insure the completion of the project while we pursue the lawsuit of the builder. Our goal is to finish the project during the first 2 weeks of February. If you have questions about the project please feel free to call Harold at 229-8662. Jim Bennett has handled the bids and subs to finish the project and can also answer questions.

TWO NEW WAYS TO REDUCE YOUR WAC FEES

Farm Fresh Gift Cards are now available from Harold along with the Food Lion & Fresh Market Gift Cards. Remember that 1/2 of the \$5.00/card goes to the Club and the other 1/2 comes off of your next WAC bill.

You can also join "Benevolink" through Ukrop's. Go to www.ukrops.com and click onto "Ukrop's Golden Gift" to register. It is free and easy. Just direct your charitable contribution to WAC and 1/2 of the amount will be deducted from your next WAC bill.
