## Interested in Stroke and Turn Officiating?

Get involved in the swim meet! Why sit in those crowded, noisy and sweltering swim bleachers when you can be much cooler and closer to the athletes? Come on down to the deck and get close to the action. Train to be a Stroke & Turn Official! There is a simple program in place to help you learn the rules and mentor along side certified officials as you get comfortable with the rules and position which generally takes 8 swim sessions. The whole process starts with an orientation meeting and the certification counts toward your WAC volunteer requirements. Call Cay Pittman at 565-3599 to get in on the action!
