COACHES CORNER

Important info:

- 1) NO PRACTICES on Sat. and Sun. Nov. 15th & 16th. WAC has two meets that weekend that everyone could attend so the staff will be out of town at the meets.
- 2) The December Championship Meets are being handed out in practice this week. Please get your entries in on time since the hosts will not take late entries.
- 3) No Practice on Thur. November 27th. HAPPY THANKSGIVING DAY TO ALL. Normal prac-

- tices on Friday, Sat., and Sun.
- 4) The Phone Directory will be out this week. We will be giving a book to the oldest swimmer in each family. If one does not get home check with your coach.
- 5) The Bills for the next session will be in the mail this week. Please get your fees in by the deadline. We have a list of new swimmers that we need to add and had to close the F group last session

to keep the numbers manageable.
6) The Rec. Center will be closed during the month of December. The Bubble practices will use the same schedule all year. The Rec. Center practices will move over to the Bubble for Dec. and then back to the Regular schedule in Jan. We will have to double up practices in the older groups at the Bubble for this short time period. Thanks for your understanding. Harold

Grocery Gift Cards Save You Money and Help the Team!

Grocery gift cards are a good money maker for the club. You buy a gift card for a hundred dollars and you can buy a hundred dollars worth of groceries. You lose nothing

and actually gain because the grocery stores sell us the gift cards at a discount. Per policy, you get 2.5% of the value of the card rebated against dues. The club gets the remainder as extra income. This reduces your swim bill in two ways -- directly by the rebate and indirectly through the extra club income. The club has made over \$2000 through this fund

raiser in the four months of this year. Currently approximately 20% of the members participate in this fundraiser. Imagine our earnings if all members participated. Cards are available from coaches Harold, Jeff, and Chris.
